

# BE WISE IMMUNIZE

## IT'S FLU SEASON. PROTECT YOURSELF.

**P**rotect yourself, your family and your friends by getting your flu vaccination. The Genesee Health Plan is making it easy by hosting its Fourth Annual Drive-Thru Immunization Event. Attendees can roll down their window, roll up their sleeve and roll into one of GHP's heated drive-in service bays to receive their flu shot. Flu shots, additional vaccinations and health resources will also be available inside the GHP office.
